

## Required Vaccinations for Twin Lakes Pet Resort & Spa

All vaccinations must be administered a minimum of 7 days prior to any Resort stay or Spa appointment.

- **Dogs**

- **Rabies:** MUST be administered by a licensed veterinarian in accordance with Texas Board of Health-Texas Administrative Code; Section 169.29(a) which states in Summary: The owner of each domestic dog shall have the dog vaccinated against rabies by the age of 4 months. The dog must receive a booster within the 12 month interval following the initial vaccination. Dogs must be revaccinated at a minimum of 3 years. Health & Safety Code §§826.014 & 826.015 allow jurisdictions to establish more frequent rabies vaccination intervals.
- **Distemper / Parvo:** This is a combination vaccination, given yearly. Some veterinarians may choose a longer interval between boosters.
  - ~ Puppies must have a minimum of 3 distemper/parvo boosters before they can be come to the Resort or Spa.
- **Leptospirosis:** (This is a newly required vaccination.) This is an annual vaccination after the initial vaccination and booster 3-4 weeks later.
  - ~ Leptospirosis is a zootonic disease, meaning it can be transmitted to people from their pets. For more information, including confirmed cases in North Texas, click on the link below.

- **Bordetella (Kennel Cough):** Boosters are required at either 6 months or 1 year depending on the type of vaccine administered.

- **Cats**

- **Rabies:** MUST be administered by a licensed veterinarian in accordance with Texas Board of Health-Texas Administrative Code; Section 169.29(a) which states in Summary: The owner of each domestic cat shall have the cat vaccinated against rabies by the age of 4 months. The cat must receive a booster within the 12 month interval following the initial vaccination. Cats must be revaccinated at a minimum of 3 years. Health & Safety Code §§826.014 & 826.015 allow jurisdictions to establish more frequent rabies vaccination intervals.
- **Feline Distemper:** This is required annually.

Since opening its doors in August 2015, Twin Lakes Pet Resort & Spa has been disease free and our strict vaccination policy is why.
